Management fees and operational expenses may be associated with mutual fund investments; the MER for the MD Funds will be in addition to the Fees charged under the MD Plus™ Account Agreement. The F Series fund is only available in MD Plus™ Accounts, where a fee based on a percentage of your holdings is charged. Mutual funds are not guaranteed. Their values change frequently and past performance may not be repeated. To obtain a copy of the prospectus, please call your MD Advisor, or the MD Trade Centre at 1 800 267-2332.

¹Returns and periods are measured in a rolling time period fashion, beginning in the first full period and rolling over month-by-month. As of February 2014, MD Precision Portfolio™ include access to alternative investments. Risk level presented is as per the prospectus for the portfolio. Please read the prospectus for more information on the risks of investing in this portfolio. The indicated fund rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all dividends or distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns. The MD Family of Funds is managed by MD Financial Management Inc. This document is not a Funds Fact Sheet. MD Precision Portfolios™ are trademarks of The Bank of Nova Scotia, used under licence. MD Financial Management provides financial products and services, the MD Family of Funds and investment counselling services through the MD Group of Companies. For a detailed list of these companies, visit md.ca. Quartile rankings are a measurement of how a mutual fund performs when compared with other funds within the same competitive universe. The Investment Funds Standards Committee defines peer groups. Fundata produces the rankings (first quartile is best; fourth quartile is lowest). Each fund is also assigned an available benchmark index(es) which best reflects the investment guidelines of the fund or category.
